**Saturday, June 20<sup>th</sup>, 2009 at Ojai's Libbey Bowl from 5 to 10 pm**

**Locally Grown 3** is the latest in a series of concerts that kicked off in 2005 with Jack Johnson headlining a benefit for **Food For Thought**, the Ojai Healthy Schools Program. **Food For Thought**, a non-profit 501c3 organization, continues to work with the Ojai Unified School District to support school gardens, farm field trips, waste reduction, nutrition education and fresh locally grown produce in our public schools. Meanwhile, **Locally Grown** has become our biggest fundraising event – where else can you have an amazing outdoor concert experience at the beautiful and historic Libbey bowl while at the same time supporting Ojai's kids, public schools and the environment?

Food for Thought has been very fortunate over the years to enjoy the support of our local businesses and professionals through sponsorships of our fundraisers. Will you join us for **Locally Grown 3** at one of the following sponsor levels?

**FARMER (\$5,000).** Libbey Bowl logo banner (8 foot length), logo in program, mention in all press releases, website and other PR materials. Eight VIP tickets (includes front row concert seats and VIP after-event party with headliners, and delectable food from local chefs and farmers).

**SOIL (\$2,500).** Logo in program, mention in all press releases, website and other PR materials. Six VIP tickets.

**WATER (\$1,000).** Logo in program, mention in all press releases, website and other PR materials. Four VIP tickets.

**SUNSHINE (\$500).** Logo in program, mention in all press releases, website and other PR materials. Two VIP tickets.

**SEED (\$200).** Company name listed in program. One VIP ticket.
